SCHOOL TOURS OF AMERICA
AT-A-GLANCE

WHY IS TRAVEL ESSENTIAL TO THE EDUCATION OF OUR CHILDREN?

We are firm believers that education through travel is a necessary rite of passage for every young American. This experience will be the most important week in the lives of your students.

The key to ensuring this lies in the selection of an educational tour company and its willingness in serving the needs of the students and parents while fully safeguarding the travelers, the trip leaders, their school and district.

SCHOOL TOURS OF AMERICA IS THE FIRST CHOICE AMONG EDUCATORS.

We routinely work alongside principals, board members, headmasters and superintendents to ensure the trip never places the district or its employees at risk. STA has the best safety and tour record of any company in the industry. We invite you to visit our website at: www.schooltoursofamerica.com to hear testimonials from our tours.

WINTER STORM STELLA - 2017

Conducting a group tour always requires experience and careful planning, but these attributes become critical when unforeseen situations arise on tour. School Tours of America (STA) has experience in successfully handling every imaginable emergency scenario and maintains Emergency Contingency Plans in the event that unexpected situations emerge.

In the event that any group is stranded due to an “Act of God”, STA covers all expenses, including: hotels, meals, ground transportation, airline fees and additional sightseeing/admissions.

On March 13, 2017, Winter Storm Stella provided another unanticipated challenge that resulted in thousands of canceled flights and closed attractions. The staff of School Tours of America was fully prepared and did a tremendous job to ensure not only that every traveler was safe and comfortable, but that each traveler was able to obtain the life-changing tour experience they expected.

Examples of STA’s detailed emergency planning:

- The Operations Department monitors all incoming & outgoing flights to avoid potential delays.
- The Airlines Department works around the clock to secure the best flights available.
- Coordinators re-book appointments, meals, and anything necessary to maximize sightseeing.
- STA provides an on-site representative and a 24-hour emergency tour line to ensure groups are never left alone.

Safety and security is always the number one priority at School Tours of America, and emergency contingency preparation and experience is a hallmark. The entire staff is focused on ensuring every traveler is secure, comfortable, and safe.

You are invited to visit their testimonial wall at: (<https://www.schooltoursofamerica.com/wall-teachers.html>) to hear educators such as Michael Jones and Mike Blackley testify to the strength of their knowledge and expertise.
